BELIEVER'S BAPTISM

We believe the Bible teaches that a child receives salvation through a personal relationship with Jesus. Personal faith and salvation are not passed down from parent to child, nor are they as a result of participating in a baptismal ceremony. Instead, baptisms are an opportunity for the follower of Jesus to tell others they have joined God's family through personal faith.

ARE YOU READY TO BE BAPTIZED?

Ask your child the following questions without any adult prompting. If he/she has hesitations or lacks clarity, then it is wise to wait.

- * I have given my life to Jesus.
- * I have confidence in what Jesus did for me and where I will spend eternity.
- * I have watched a baptism at my church.
- * I understand what baptism means.
- * I know why I want to get baptized.
- * My parents say it is okay for me to be baptized.
- * I can write out my testimony.

PERSONAL TESTIMONY

On the day of your baptismal service, there may be an opportunity for you to answer the following questions:

- Who had an impact on your coming to faith in Jesus Christ?
- Why do you want to be baptized?
