DID YOU KNOW

“VBS Give and Take” - 210 children enrolled in our evening Bible Life Camp (VBS) this year with 100 volunteers dedicating their gifts to bring scripture to life.

Children not only spent the week “taking” in God’s Word, but they also did some very generous local and global “giving”!

Preschoolers donated 243 pounds of non-perishable food to the Sioux Falls Food Pantry. Elementary students donated $259.38 toward fleece blanket care for African orphans.

God is pleased with His children’s gifts. Pray that God would help our children make “taking” in God’s Word and “giving” to God’s agenda a permanent part of their lifestyle. Way to go VBS!!

Congregation,

The Elders are excited about what God is doing at Central and eager to share with you the logo and text above as a visual way of how we will communicate the purpose of Central: fulfilling the Great Commission and the Great Commandment(s).

The Connect-Build-Go action items come directly from the words of Christ in the Great Commission/Great Commandment. Everything we do at Central will be analyzed and evaluated through Connect-Build-Go. And we mean everything.

Connect-Build-Go is the result of many hours of prayer, collaboration, and is part of the Refocus Central Plan. The Executive Summary for Refocus Central continues to be publicly available in Grand Central and is on the Central web site.

The Elders appreciate your prayers and support as we continue to seek God during this time of transition and refocus on achieving our purpose as a community of believers.

It’s an exciting time to be at Central. God is at work among us.

Refocus Central.

WELCOME TO CENTRAL BAPTIST CHURCH

To all our first time guests this morning we offer an enthusiastic welcome! Today and throughout the summer, our theme is **Summer of Love**. This teaching series will focus around the Great Command and the Great Commission as given by Jesus to all his followers.

Today we welcome our guest speaker, Rich Miller, International Coordinator of Freedom in Christ Ministries. Rich was on staff with Campus Crusade for Christ from 1976–1993 and has traveled around the world in Christian missions work. Rich joined Freedom in Christ Ministries in 1993. He is passionate about revival of the Church and loves to share the message of the Gospel.

This summer our elementary age children as well as our middle and high school students will be joining us in worship for our family friendly services. Activity bags will be provided for the children each week that have been prepared by our Children’s Ministry Staff. These activities will help engage the children during the service you attend. When you exit the worship center, you may deposit your Activity bag in the pink basket.

**MINISTRY HIGHLIGHT**

**Parent and Child Dedication** - We are deeply committed to helping parents as they strive to raise their children in a way that brings God honor. We offer Parent and Child Dedication services as a special time of public ceremony and personal commitment when parents can commit to raise their child in the training and instruction of the Lord.

The origins of Parent and Child Dedication services can be traced to the Old Testament in the Bible. It was the tradition of Israelite parents to bring their child to the priest for a special blessing on the eighth day of the child’s life. In 1 Samuel, we read of Hannah bringing her infant Samuel to be blessed by the priest Eli. In the New Testament, we can read of Mary and Joseph bringing baby Jesus to the temple to be dedicated.

We at Central Baptist believe the Bible teaches an individual receives salvation through a personal relationship with Jesus. Personal faith and salvation are not passed down from parent to child, nor are they a result of parents participating in a Parent and Child Dedication service.

Instead, Parent and Child Dedication are an opportunity for parents to publicly state their intention to raise their child in the knowledge of God and His Son, Jesus Christ, with the hope that someday, their child will choose to receive Christ as Savior and Lord.

Today we embrace the following parents as we dedicate their children to the Lord:

**REGIONAL LIFE**

**Life Line Screening** - Do your legs ache after walking a short distance? Is your vision dimmed or do your ears ring? Do you have difficulty turning or do you feel pain, burning or numbness in your legs while sitting or standing? Do you have difficulty chewing or swallowing? Do you have sudden onset of chest pain when you exercise? Do you have a hard time sleeping? Are you more short of breath now than you used to be? If you have answered yes to any of these questions, you may have a blockage in the arteries that carry blood to the arms or legs. Early detection and treatment may prevent further deterioration of the condition. The benefits of detecting and treating peripheral arterial disease (PAD) include fewer hospitalizations, fewer hospital stays, and a reduced risk of death.
