TODAY’S MUSICAL

The story the children are sharing today starts at a baseball game, but shifts to a dream sequence when a young fan gets hit in the head with a baseball. In her dream, she travels to a fantastical island in the Caribbean. As the story unfolds, we learn that the pirates don’t remember anything about their past or how they came to the place known as Johnny Bay. All they know is that they are required to guard the captain’s treasure.

Today we will learn that “we are not created to store up as much treasure as we can, but to realize that our real treasure is in heaven, not on earth.” Greed is a tool the enemy uses to keep us from becoming all God created us to be. Let’s welcome the choir as they present *The Pirates of the ‘I Don’t Care’-ibbean!*

NEPAL EARTHQUAKE RELIEF

If you would like to contribute toward relief efforts in Nepal, visit centralsf.org and click on the “Help Nepal” banner. Our denomination, Converge International, partners with The Timothy Initiative to start churches in Nepal, and many Converge churches have helped support church starts there.

To assist this effort, Converge will channel relief funds through TTI with a first priority to aid 19 house church leaders and their church members with restoring their lives. With additional funds we will help many others suffering from this tragedy. TTI will ensure that funds given provide vital food and water to these recipients.
