Part 4: Jesus Teaches You Truth

Luke 24:13-35

## Launch

If you could only have one app on your smartphone, what would it be?

## Explore

### Read the passage

Why were the Emmaus disciples discouraged and confused? In other words, why didn't they believe that Jesus had risen from the dead? What does that reveal about them?

Why do you think they didn't recognize Jesus?

What did Jesus say was their main problem? How did he address it?

## Apply

What prevents you from encountering Jesus? (Distractions, schedule, attitude toward scripture, past hurts, priorities, etc.)

What is one passage in the bible that you find confusing or needing clarification? (If appropriate, have people in the group share their understanding of that passage.)

How has Jesus been revealed to you in the context of community (either this LifeGroup or past groups)?

## Pray

Pray that we would make spending time with Jesus a priority and that, as a result, we'd grow in knowledge, character, and mission. Pray that, like the Emmaus disciples, our hearts would burn with joy.
