

# The Jesus Way to Pray

Part 9: The Prayer of Faith

Multiple Passages

## Launch

*What your best Thanksgiving memory? What is your worst?*

## Explore

**Read Matthew 8:5-10, 13; Matthew 15:22-28; and Mark 5:25-34**

*What do these three passages have in common? (Think in terms of people, situations, Jesus's response, etc.)*

*What do these passages tell us about...*

- *the role of faith in prayer?*
- *our condition?*
- *God's character?*

## Apply

These passages each deal with a different uncertainty:

- Will I trust God's Word when my plans fall through?
- Am I good enough for God to answer my prayer?
- Is God able to help?

*Which of these do you struggle with the most?*

*What is the most meaningful or memorable answer to prayer in your life in the last several years?*

*What is the most significant thing that you've learned or personally experienced over the course of the last nine weeks of this series on prayer?*

## Pray

Take some extra time to share prayer requests for the three A429 areas of focus:

- For God to give us boldness to share the gospel with our oikos
- For God to stretch out his hand to heal
- For God to amaze people with unexplainable answers to prayer
