Part 1: Spiritual Urgency

Luke 16:19-31

Launch

Would you rather be really busy or really bored? Why?

Explore

Read the passage

What spiritual truths does this parable teach that you didn't know before (or had forgotten about) regarding:

- Earthly values vs Kingdom values (19-23)?
- Heaven and Hell (23-27)?
- Oikos (27-31)?
- Anything else that stands out?

Apply

Who has God placed at your gate? Who is God calling you to help (physically, spiritually, emotionally)?

Some things are urgent but not important. Some are important but not urgent. Why is engaging with your oikos both important and urgent?

If you knew that you were going to die tomorrow, who in your oikos would you tell about Jesus? What would you say?

Pray

Pray for people in your oikos, by name. Pray for opportunities to engage with them on a deeper level.
