Read the passage

If Jesus was not going to be honored in his home country, why would He go there?

Why did Jesus rebuke the crowd for only believing if they saw "signs and wonders"?

The official begs Jesus to travel 20 miles to heal his son? Why was content with Jesus's assurance that his son would be ok?

The man's entire household eventually believed in Jesus. How did this happen?

Why is miracle-based faith problematic?

It's tempting to see Jesus as a means to an end, essentially valuing him for what He does for us, not for who He is. How have you seen this in your own life?

John 20:31 says this: *These are written so that you may believe that Jesus is the Messiah, the Son of God, and that by believing you may have life in his name.*

How have you experienced Jesus as the source of life? How has he changed you?

Pray

Pray that we would live moment by moment in repentance and faith - turning to Jesus and trusting him for real life.
