Read the passage

Money can be a real source of tension and anxiety. What does this reveal about people's relationship with God?

How could tithing be the solution to financial anxiety?

Jesus says to seek first the kingdom of God. What does that actually look like? How does it relate to tithing?

Read Matthew 23:23 and 2 Corinthians 9:7

How can we apply these New Testament principles to the Old Testament concept of tithing?

Apply

How often do you think about how you're using your money (spending, saving, investing, and giving)?

How have you seen the Lord provide for you over the years? Tell a quick story about his provision in your life.

Has God ever asked you to put him "to the test" when it comes to generosity? If so, how did it play out?

Pray

Pray that we would be so overflowing with gratitude and trust that our anxiety about money would be replaced by peace and joy.
