What do these verses teach us about...

- our default destination?
- our choice in the matter?
- our expectations of an easy life?
- the popularity of our destination?

Read Revelation 7:9

If few will find the road/gate that leads to life, how do you explain the “great multitude” in John’s vision of heaven?

Apply

When did you choose the narrow gate? (If you have never done so, have a couple people share their salvation story.)

How have you found “the road that leads to life” to be difficult? In other words, what’s the hardest thing about following Jesus in our culture?

Who in your relational world is traveling on the “road that leads to destruction?” How can you invite them to join you on your journey?

Pray

Pray for people in your oikos by name. Pray that God would use you to see them cross over from death to life.
