

# Welcome to Central Church!

Hey Central Family,

On Good Friday we reflected on Jesus' journey to the cross, and today we celebrate Him defeating death once and for all time. Death to life. God's pathway to victory is often different than ours. When it seems like things are falling apart, they may be falling into place! The difference maker is the resurrection of Jesus. God's power can turn darkness into light.

If today is your first time hearing this story, or if you have heard it a thousand times, we are hoping it will come alive today as the Holy Spirit reminds us of Jesus' triumphant victory over darkness.

Thanks for being here to celebrate Easter with us!
