Culture in Crisis
Part 2: Divorce

Divorce is _____ God's _____.

"For I hate divorce! says the Lord, the God of Israel. To divorce your wife is to overwhelm her with cruelty," says the Lord of Heaven's Armies. (Malachi 2:16 NLT)

What does Scripture say about divorce?

1. Divorce is allowed because of _____ sin.

And I tell you this, whoever divorces his wife and marries someone else commits adultery—unless his wife has been **unfaithful**." (Matthew 19:9 NLT)

2. Divorce is allowed because of spiritual _____.

Yet if the unbelieving one leaves, let him leave; the brother or the sister is not under bondage in such cases, but God has called us to peace. (I Corinthians 7:15 NASB)

If another believer sins against you, go privately and point out the offense. If the other person listens and confesses it, you have won that person back. But if you are unsuccessful, take one or two others with you and go back again, so that everything you say may be confirmed by two or three witnesses. If the person still refuses to listen, take your case to the church. Then if he or she won't accept the church's decision, treat that person as a pagan or a corrupt tax collector. (Matthew 18:15-17 NLT)
