Part 2: The Love of God

But you, beloved, building yourselves up on your most holy faith, praying in the Holy Spirit, keep yourselves in the love of God, waiting anxiously for the mercy of our Lord Jesus Christ to eternal life. - Jude 20-21 NASB

God always _____ us enough _____.

For we know how dearly God loves us, because He has given us the Holy Spirit to fill our hearts with his love. When we were utterly helpless, Christ came at just the right time and died for us sinners. Now, most people would not be willing to die for an upright person, though someone might perhaps be willing to die for a person who is especially good. But God showed His great love for us by sending Christ to die for us while we were still sinners. - Romans 5:5-8 NLT

This text teaches two ways to keep ourselves in God's love:

1. Subjectively through _____.

For we know how dearly God loves us, because He has given us the Holy Spirit to fill our hearts with his love. - Romans 5:5 NLT

2. Objectively through _____.

Two things about the cross that demonstrates love:

- A. Jesus loved us before we _____.
- B. Jesus loved us at our _____.

DOMINICAN REPUBLIC TRIP – PRAYER SPONSORS

We're sending 48 high school students and 12 adults to the Dominican Republic In June. We're asking you to select one individual to pray for throughout this trip. We'll have info packets at the tables at every Worship Center exit. All you do is pick a card and pray for your person every day. It seems small, but it will make a BIG impact.

TIME CAPSULE AND HISTORY TABLE

To celebrate 135 years, we've put together a table full of historical artifacts from Central Church. The table will be out in Grand Central, so stop by to see some of Central's history. You can also turn in your prayers for the time capsule at the table.

ADAMS THERMAL FOUNDATION – WILL YOU SPONSOR A CHILD?

Last week we shared a video recapping our church's trip to Ethiopia with the Adams Thermal Foundation. For one more week, we're asking you to sponsor a child currently enrolled in the Adams Thermal schools. Stop by the tables in Grand Central or visit adamsthermalfoundation.org today to learn how you can change a child's life forever.
