

JOSHUA

CONQUERING *the*
Land of PROMISE

Jeff Wheeler
Lead Pastor

WELCOME TO THE “CENTRAL 70!”

We are so glad you're here!

Whether you are a regular attendee, new to the area, or new to Central Church, we hope that you find the next 70 minutes to be inspiring and meaningful as you start your week.

Today's service will include music from a full band, various creative elements, and a strong commitment to accurately teach the truth of the Bible.

Our Communication Card gives us a chance to hear from you, so please use it! At the end of the service, we will ask you to share a response to what you felt, learned, or experienced through the message. It's also a great way to let us know if we can serve you in any way. We will collect these cards at the end of the service when the offering buckets are passed.

If you have children, our team at KidCentral is ready to serve your kids with dynamic, age-appropriate ministry (birth – 5th grade). Any of our staff or volunteers with a red lanyard are happy to take you to the Children's Ministry Wing if you're not sure where to go.

We truly hope you enjoy your experience here today. Welcome!

JOSHUA | Conquering the Land of Promise

Joshua was called to lead Israel by default; Moses was disqualified through moral failure. But Joshua was not unprepared for the call to lead because God had been preparing him since his youth. Joshua prepared for his calling by responding to each new opportunity God set before him.

God is preparing you for something right now. The story of Joshua is not only a story of preparation, but one of conquest. He was to lead Israel to the conquest of the promised land. In this series we'll look at Joshua's preparation for leadership and the qualities of leadership that enabled him to lead the people to conquest. What is your “promised land” from God? Like Joshua, you are called for conquest!
