

THE BODY

A NOTE ABOUT THE SERIES:

The Body

We are so glad you're here! Whether you are a regular attender, new to the area, or just new to Central Church, we hope you find our worship experience to be inspiring and meaningful.

Today's service will include:

- Worship through song, led by a team of musicians
- Biblically based teaching committed to capturing the truth of God's Word
- A time to respond to what God is doing and saying in our 70 minutes

Communication Cards:

These cards give us a chance to hear from you. At the end of the service, you'll be able to share prayer requests and some basic contact info. It's also a great opportunity to let us know if we can serve you in any way.

If you have children:

Our Kid Central team is ready to serve your children with dynamic, age-appropriate ministry (birth – 5th grade). If you are not sure where to go, any of our staff or volunteers with a red lanyard will be happy to take you to the Kid Central wing.

We truly hope you enjoy your worship experience at Central Church today!

First time guests, stop by the Welcome Desk today in Grand Central. You'll meet some friendly people and receive a free drink coupon for our Central Perk Café.

When you stop at the Welcome Desk located in Grand Central, you'll be given an invitation to an upcoming Next Step Lunch.

Our Jump In class provides an opportunity to hear from the pastoral team about Central's vision and values. Sign up during a Next Step Lunch, or at centralsf.org/connect.

Throughout the New Testament, the human body is used as a metaphor to describe the church. We are all members of the body, with Christ as the head. The apostle Paul writes, "A body is made up of many parts, and each of them has its own use. That's how it is with us. There are many of us, but we each are part of the body of Christ, as well as part of one another." Romans 12:4-5 (CEV)

In a world of individualism, God shows us how we're part of something much bigger than ourselves. And He illustrates how each of us—with our different personalities, talents, and experiences—play a vital role in fulfilling God's purpose.

You need the body and the body needs you. In this series, we'll explore why that simple truth is so important.
